Public Comment: All Landfill Task Force meetings are open to the public. There will be no public comment period during the meeting time. Public comments must be submitted in advance of the meeting via the comment form on the Landfill Task Force [webpage](#). Landfill Task Force members will take time at the beginning of each meeting to review and discuss all public comments received between meetings.

Meeting #3 Action Items

Waste Connections

- Review routes used by heavy trucks coming from the west to the Front Range Landfill (FRL) and look for potential alternate routes.

LTF Members

- Contact the facilitation team with information requests to inform the next meeting's landfill expansion and land swap discussion.
- Identify community concerns about the landfill expansion and land swap and report back to the facilitation team.
